Attitude/ History/ Background/Relationships:

Very friendly, kind old lady, comical in appearance and likable personality. Very naive and overly helpful with her positive words of wisdom and funny sayings. She loves to quote Shel Silverstein's (her favorite author) 'Where the Sidewalk Ends.' Here is a quote:

Melinda May Rose ate with her fingers. One day her mom said,

"Melinda May Rose don't eat with your fingers...."

So Melinda Mae Rose, ate with her toes.

Motivation:

Just wants to eat her favorite cereal each day for dinner at 4pm. She goes to Albertson's grocery store every day just to talk to everybody and see what is new in the aisles, but the only thing she ever buys there is Post Toasties cereal. Her main thing is just enjoying her cereal and the journey to the store.
